Overview
This is a multipurpose course number designed to allow students to do intensive one-on-one plus independent study under the supervision of an instructor. The nature of the project or course will be determined in each case. Contact the instructor for permission and to make arrangements for this option.

Alexander Technique Private Lessons
I have used this number to teach private lessons in the Alexander Technique. This is one hour per week, time arranged with student and instructor for 2 units of credit.

Attendance Policy
1 Absence allowed. Make-ups scheduled with instructor.

Grading Policy
Grading policy agreed upon based on the nature of the project.
